EXHIBITION MADE IN LITHUANIA

6-8 October, 2023

ZALGIURIO ARENA

rpl@expo.lt

ABOUT THE EXHIBITION

The main goal of the exhibition „Made in Lithuania 2023“ is to discover and present local products and services that were created, developed and made in Lithuania. Also, to encourage the popularity and consumption of Lithuanian products. As well as, to strengthen the dialogue and smooth communication between the producers in our country.

TOPICS OF AN EXHIBITION

cosmetics and household goods

clothing and accessories

ideas for home, interior

food and beverages

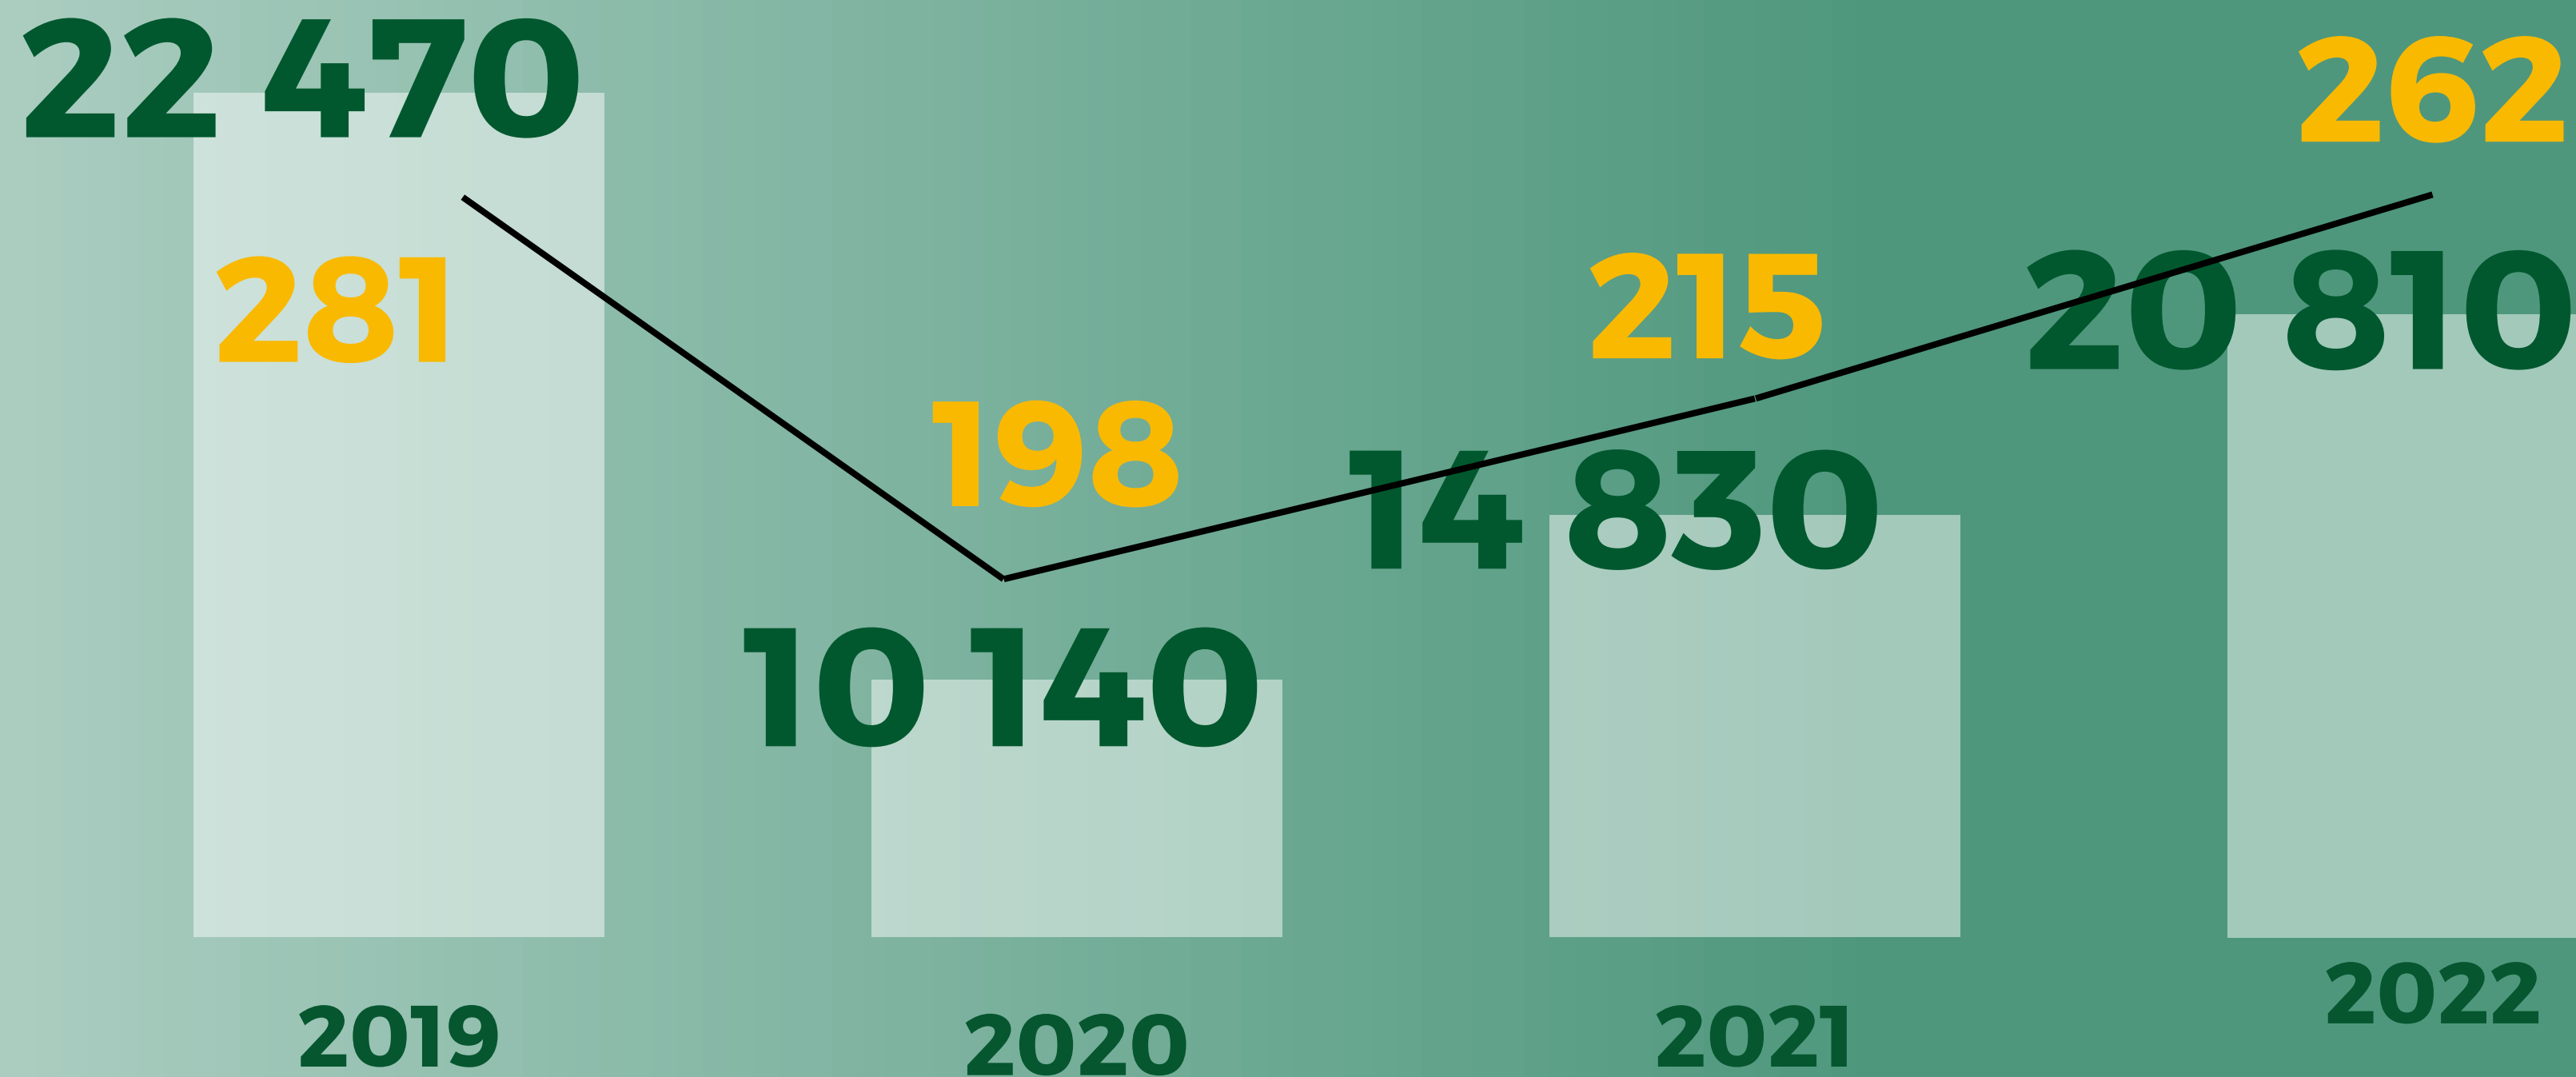

GOLD MEDALS

Every year this exhibition attracts hundreds of local manufacturers from all over Lithuania.

All the exhibitors also have an opportunity to introduce their unique products for the best product contest. The best of the best will get prestigious gold medals.
